- Test, diagnose, repair, and install plumbing components to ensure that customers' systems comply with all applicable local codes.
- Read and review specifications and plans to determine the proper layout and use of materials.
- Ensure all completed work meets manufacturers' requirements and adheres to appropriate environmental standards.
- Demonstrate a commitment to quality in all aspects of workmanship.
- Work independently or oversee a jobsite and supervise the work of others as necessary.
- Interact professionally with customers, vendors, and fellow employees.
- Maintain a strong focus on safety, considering the well-being of yourself, coworkers, and the public at all times.

## Qualifications

- A minimum of two years of Journeyman-level experience is required.
- Must be licensed in St. Louis County. Licensed in St. Louis City is preferable.
- Backflow Certification is a plus, though not required.
- Ability to routinely lift or move up to 70 lbs.
- Possession of a valid driver's license with a clean driving record.
- Strong communication skills and the ability to work effectively in a team environment.
- Career-minded with a willingness to continue training and education.
- Familiarity with MO-OSHA safety requirements is expected.

## Benefits

- Competitive wages.
- Paid overtime.
- Paid vacations and holidays.
- Comprehensive health care coverage, including medical, vision, dental, and life insurance.
- Tuition reimbursement to support continued education.
- Profit sharing and bonus opportunities.
- Company-supplied tablet for service division employees.
- Paid training programs.
